

Rotary Club of Barre, Vermont

## Give A Gallon

---

**Give A Gallon** is a program to assist Vermonters economically challenged by rising heating costs who are at risk of health and suffering without adequate heat during the coming winter.

---

The Rotary Club of Barre has enthusiastically begun a means of collecting funds to help citizens in Central Vermont who are at risk of suffering during the cold months of a Vermont winter.

Rotarians have volunteered to ask businesses to place a one gallon can on their counter, providing members of our communities an opportunity to make a donation equal to one gallon of fuel oil.

A suggested donation of \$5.00 is expected to buy one gallon of fuel oil. Any donation will be gratefully accepted.

---

The Rotary Club has partnered with *Green Mountain United Way*, a member of the *Central Vermont Food, Fuel, and Transportation Coalition* to funnel the funds to those citizens in our communities who most need assistance with fuel costs.
