

Community Food Shelves are an important resource helping to feed seniors, families with limited resources, those who are home bound or homeless, and many others. Most are staffed by volunteers and rely on donations of money and food items in order to keep their doors open. **To find out how you can help** with a donation or by volunteering your time, contact a food shelf that serves your community. **Your support is greatly**

More information on resources are available by dialing 2-1-1
Vermont's help line for all federal, state and local services.
