Community Food Shelves are an important resource - helping to feed seniors, families with limited resources, those who are homebound or homeless, and many others. Most are staffed by volunteers and rely on donations of money and food items in order to keep their doors open. **To find out how you can help** with a donation, or by volunteering your time, contact a food shelf that serves your community. **Your support is greatly appreciated!**

This brochure is printed by the Vermont Campaign to End Childhood Hunger, thanks to the generous funding of the Northfield Savings Bank Foundation. Thank you to Central VT Community Action Council for contributing the original design.
