GREAT THINGS HAPPEN WHEN WE LIVE UNITED
Because of your efforts, we are making progress in reaching our goals.

Because of your efforts, we are making progress in reaching our goals.

Because of your efforts, we are making progress in reaching our goals.

Together we strengthen the building blocks of a good quality of life.

**EDUCATION** we work with parents, caregivers and organizations to improve access to early education services.

**INCOME** we work in our communities to help people increase income, build savings and gain assets.

**HEALTH** we work with local groups to increase opportunities for physical activity and access to healthy foods.

**BASIC NEEDS** we organize local food drives, distribute goods to nonprofits, promote volunteerism and serve our community in times of crisis.

All contributions matter.

Your help makes a difference

$1 per week provides 20 children with literacy kits.

$5 per week will promote a food drive that supports 24 food shelves in our area.

$10 per week helps 20 low income families build successful financial strategies.
